2023 ANNUAL WATER QUALITY REPORT (CONSUMER CONFIDENCE REPORT)

The 2023 Consumer Confidence Report has been completed. The CCR is prepared annually as mandated by the Missouri Department of Natural Resources and provides information about the city's drinking water. The report is available online at www.dnr.mo.gov/ccr/MO1010123.pdf. A copy is also available on our website at www.calhounmo.com or can be obtained by calling City Hall at 660-694-3634.

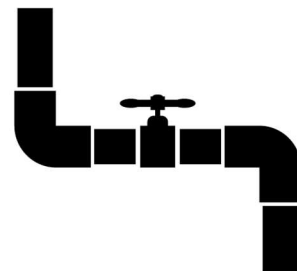

AVAILABLE STORM SHELTER

We have had some crazy weather lately and we would like to remind everyone that if you do not have shelter at home, work or school, the Calhoun Baptist Church at 307 South College Street is unlocked by the Calhoun Rural Fire Department in the event of a tornado warning and open to the public.

SERVICE LINE INVENTORY REMINDER

Approximately 60 days ago, Calhoun water customers should have received a letter in the mail asking you to identify your water service lines. In order for the City to comply with an EPA mandate, all cities are required by law to inventory all water service materials from the water meter into the home. If you have not answered the letter, we ask that you do so promptly to assist in our efforts to comply. Refusal to respond could potentially require personnel or a contractor to come to your home to obtain the EPA information and/or dig a hole in your yard outside of the city's easement. Please understand that a quick response to this customer survey is one of the most helpful things you can do as a citizen to help accomplish this mandate. Completed forms can be mailed or dropped off at the Calhoun City Hall, P.O. Box 97, 201 E. Main Street, Calhoun, MO 65323 or emailed to moleadinventory@gmail.com. If you need assistance with completing this form, please contact the Calhoun City Hall at 660-694-3634. If for some reason you did not receive a form or have misplaced it, blank forms can be obtained at City Hall.

The Mullets, Mayhem & Murder Mystery Dinner that was to be held on June 1, 2024 on the courthouse lawn has been postponed due to unforeseen circumstances. A new date for this event has not been scheduled yet. The Broke & Busted Saddle Club apologizes for any inconvenience.

JOKE OF THE MONTH

During a little league game the coach called Scotty over for a talk.

Coach: “Scotty, do you understand what cooperation is?”

Scotty: “Yes coach.”

Coach: “Do you understand what matters is that we win as a team?”

Scotty: “I do coach.”

Coach: “And when a strike is called, or you’re thrown out at first, you don’t argue or curse or attack the umpire. You understand all that, right?”

Scotty: “I understand that coach.”

Coach: “That’s great, Scotty. Now, would you go over to the bleachers and explain all this to your mother?”
