

# CITY OF CALHOUN

## PRIMARY ELECTION TUESDAY, AUGUST 6, 2024

**What is a Primary Election?** For this Primary, it's an election to select candidates of a specific political party to appear on the General Election ballot on November 5, 2024. So remember that during the Primary Election, you must declare which ballot you would like to vote on (Republican, Democratic, Libertarian or Non-Partisan) and will only be voting on candidates vying for that position under that specific political party. Regarding the constitutional amendments and proposition questions, all parties will be voting on these issues regardless as to what ballot you select. A yes vote passes the matter and a no vote fails the matter during this Primary Election.

The Primary Election will be held on Tuesday, August 6, 2024. Calhoun City Hall is the polling place for Tebo and Springfield Townships. Polls open at 6 a.m. and close at 7 p.m. Handicap parking is available at the rear of the building. Calhoun citizens will be voting on the following:

## CONSTITUTIONAL AMENDMENTS & PROPOSITION THAT WILL BE ON ALL PARTY BALLOTS FOR CALHOUN (TEBO) TOWNSHIP

### CONSTITUTIONAL AMENDMENT NO. 1

(Proposed by 102<sup>nd</sup> General Assembly-First Regular Session-SJR No. 26)

Shall the Missouri Constitution be amended to allow places where individuals, corporations, organizations, and associations provide childcare outside of the child's home to be exempt from property tax? This is intended to make childcare more available, which would support the well-being of children, families, the workforce, and society as a whole.

State governmental entities estimate the state's Blind Pension Fund could have annual lost revenue of up to \$400,000. Local governments expect an unknown fiscal impact.

- YES
- NO

### CONSTITUTIONAL AMENDMENT NO. 4

(Proposed by 101<sup>st</sup> General Assembly-Second Regular Session-SS 2 SJR No. 38)

Shall the Missouri Constitution be amended to authorize laws, passed before December 31<sup>st</sup>, 2026, that increase minimum funding for a police force established by a state board of police commissioners to ensure such police force has additional resources to serve its communities?

This would authorize a law passed in 2022, increasing required funding by the City of Kansas City for police department requests from 20% of general revenue to 25%, an increase of \$38,743,646, though the City previously provided that level of funding voluntarily. No other state or local governmental entities estimate costs or savings.

- YES
- NO

### PROPOSITION NO. 1

Shall Tebo Township of Henry County, Missouri, levy a special road and bridge tax at a rate of Twenty-Five Cents (\$0.25) on the One Hundred Dollars (\$100.00) assessed valuation, for a period of four (4) years for township road and bridge purposes?
