### JOKE OF THE MONTH

Brothers Ted and Tom went camping in the desert. They set up their tent and soon fell asleep. Some hours later, Ted wakes his younger brother.

Ted: “Tom, look up and tell me what you see.”

Tom: “I see millions of stars.”

Ted: “So what does that tell you?”

Tom: “Well, astronomically speaking, it tells me that there are millions of galaxies and potentially billions of planets. Meteorologically, it seems we will have a beautiful day tomorrow. What’s it tell you, Ted?”

Ted: “It tells me that someone stole our tent!”
